Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Cherry Street Mall Project for fiscal year 2024. This project will provide infrastructure improvements to Downtown Mount Clemens. The project is an appropriate use of taxpayer funds because it will provide a boost to the local economy, provide jobs, and affordable housing to our residents. It will also foster the development of much needed housing for Selfridge Air National Guard base located five miles away.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
